

REGISTRATION INFORMATION

Completing The Registration Form

Registration forms and fees may be mailed or turned into the NWSRA office by the registration deadline in order to allow participation on the first day of the program. Staff cannot receive registration forms or fees at NWSRA activities. **We do not make confirmation of registration.** If programs are cancelled or postponed, individuals registered will be notified by phone. **Each fall, all participants are required to complete the Registration and Participant Information forms.** This process of updating information will contribute to the overall safety and quality of NWSRA services. **For all other registrations throughout the year, participants need only to fill out the Registration Form. No priority is given to mail-in, drop-off or online registrations. Processing begins on Friday, December 10.**

Family Registration

For all NWSRA programs open to sibling/family members, the separate, signed Family Member Registration form, located at the back of the brochure, must accompany the participant's registration form.

Faxing Your Registration Form

NWSRA will accept faxed registration forms, but encourages our customers to call the office for a confirmation of receipt. This will ensure that the fax was received and accepted. NWSRA's fax number is 847/392-2870. To confirm your fax, please call the office at 847/392-2848.

Refunds and Credits

1. A full refund or credit will be issued if a program is cancelled.
2. In the event of prolonged illness or moving, a \$1.00 service fee will be charged and a prorated refund or credit issued. A doctor's notice is required for illness.
3. If NWSRA has incurred costs due to purchase of tickets, rentals, deposits, etc., a 48-hour notice must be given to NWSRA and vacancy caused by cancellation filled. If both conditions are met, a \$1.00 service fee will be charged and a refund or credit will be issued.
4. If a participant cancels out of a program prior to the start, and no costs have been incurred, a \$1.00 service fee will be charged and a refund or a credit will be issued.
5. A prorated refund or credit may be given if the program is deemed inappropriate for a participant.
6. If inclement weather or leader absence occurs, NWSRA will try to reschedule the activity or issue a credit or refund.
7. Credit slips may be used for future registration and are not transferable to other persons.

Non-resident Fee

Non-residents will be assessed a 50% fee increase above the charges listed. NWSRA park district residents will have priority in registering for all NWSRA programs. Non-residents will be allowed to register as additional space, tickets, seating and leadership allow. Final decisions will be made after the registration deadline when applicable. Door-to-door transportation is not available for non-residents.

Payment Systems

Full payment of program fees should be included with the registration form. However, if at the time of registration this presents a problem for any of our residents, delayed or divided payments are acceptable. Please note any altered payment systems on registration form. NWSRA accepts American Express, Discover Card, Visa and MasterCard for payment of programs, fundraising events and donations. Please indicate the card preference, account number and expiration date on the registration form.

Financial Assistance Policy

For information on the policy and application forms, please contact the NWSRA office at 847/392-2848. Please keep the registration deadline for weekly programs in mind. The application process may take several weeks, so please inquire early. Financial assistance is available to member park district residents.

SPECIAL NOTICES

Horseback Riding

If participants are seizure prone, seizures must be controlled by medication and/or the individual must not have had a seizure in over one (1) year in order to be allowed to horseback ride. A doctor's recommendation is suggested for all participants with balance problems or seizures. Riding helmets for all participants are provided by Palatine Stables. At this time, there are no stables in the NWSRA area that can accommodate participants who are non-ambulatory. Stables utilized by NWSRA require that the parent or guardian of each participant sign a release form the first day of the program before the participant will be allowed to ride.

Swim Programs

Approximate 1:3 staff to participant ratio is provided in swim programs. If participant is seizure prone, seizures must be controlled by medication and/or the individual must not have had a seizure in one (1) year in order to be allowed to join the program at the designated ratio. If the above conditions are not met or the swimmer has conditions that warrant a 1:1 ratio, parents must note this on the registration form and NWSRA will attempt to find a volunteer.

Personal Flotation Devices (PFD)

If the use of a PFD is required for safety during an NWSRA or park district aquatic program, please call NWSRA or the appropriate park district to ask what requirements, if any, they have regarding PFD's. These devices provide the swimmer with buoyancy and a sense of personal security but do not prevent drowning. Close supervision of an individual using a PFD is still a necessity. Proper size, style and fit are all important in determining the right PFD for the individual. It is the parent/guardian's responsibility to provide the appropriate PFD. Water wings and air mattresses are not considered PFD's and are not allowed in most public pools except during designated hours.

Atlantoaxial Instability Condition

Individuals with Down syndrome are at risk of having Atlantoaxial Instability (AAI) which allows increased mobility of the first and second vertebrae. For the safety of NWSRA participants, individuals with Down syndrome will not be allowed to participate in activities such as diving, the butterfly stroke in swimming, tumbling, gymnastics, the high jump and others which could potentially injure the neck area unless a doctor's note stating the participant is free of AAI is submitted to NWSRA. An x-ray by a doctor is necessary to determine if the condition is present. Parent/guardian should indicate on the registration form whether or not Atlantoaxial Instability Condition is present. For more information on AAI, contact NWSRA and ask to be sent form #352 on AAI.

Dispensing of Medication

If a participant is in need of assistance to take prescription medication, a permission form allowing NWSRA staff to administer medication must be obtained from the NWSRA office. This permission form must be signed by the parent or guardian and returned to NWSRA before staff may assist the participant in taking medication. Complete the medication information on the registration form and a release will be mailed. For after school programs at Kirk or Miner Schools, the medication for the entire session must be brought in prior to the start of the program, either to the NWSRA office or Kirk and/or Miner Schools. The medication must be in a container clearly marked "For NWSRA", with child's name, doctor's name and phone number and dosage instructions. Due to Kirk/Miner School policy, no medication may come to school with your child. Medication information must be indicated on the NWSRA registration form for staff awareness to dispense it during the program. All other medications for NWSRA programs, other than those listed above, must be in NWSRA envelopes and given to the head instructor each week. Adult participants older than 22 years of age who need more than a reminder to take prescription medication will need to follow NWSRA's guidelines for dispensing medication.

Mandated Reporters

All NWSRA staff are mandated by the State of Illinois to make a report to the DCFS hotline if they observe a situation that provides reasonable cause to suspect child abuse or neglect. Workers in certain professions, including "recreational program" personnel have this legal mandate. Staff are trained on signs and symptoms of abuse and neglect, and procedures for making a report.

NWSRA Waiver and Release of All Claims

The NWSRA is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The NWSRA continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for the programs/activities listed above must recognize that there is an inherent risk of injury when choosing to participate in recreational programs/activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity. Recreational programs/activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational program/activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for the NWSRA to guarantee absolute safety. Please read this form carefully and be aware that in signing up and participating in the above identified programs/activities, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your child/ward might sustain as a result of participating in any and all activities connected with and associated with said programs/activities (including transportation services/vehicle operation, when provided.).

I recognize and acknowledge that there are certain risks of physical injury to participants in these programs/activities, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs/activities against the NWSRA including its officials, agents, volunteers and employees (hereinafter collectively referred as NWSRA). I do hereby fully release and forever discharge the NWSRA from any and all claims for injuries, damages, or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with these programs/activities. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, your on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
