## Original Submission 03/27/2024

Score	n/a
Name	Matt Dziubinski
Job Title	Director of Parks & Planning
E-mail Address	mdziubinski@mppd.org
Phone Number	8479566773
Park District	Mt. Prospect
Project Location	ComEd Trail System
Project Status	Maintenance
Project Type	Routes and Surfaces
Routes and Surfaces- select a Project Category below:	Accessible Routes- Means of Egress Walking Surfaces
Benefits of the Project	The section between I90 and Algonquin Rd was replaced in 2021 and it is now time to address the section between Algonquin and Linneman Rd. The current conditions do not meet ADA standards. Repaving the system will meet current requirements and enhance user experience.
Items that will become ADA Compliant	The 8' wide pathway system from Algonquin Rd to Linneman Rd will be resurfaced and meet ADA requirements. Seating areas will also be included along the trail system- a bench and pad will be installed to meet ADA needs.

The project is designed or constructed, or applies human resources, to comply with:

The 2010 Standards for Accessible Design Agency's ADA Transition Plan

Ms. Tracey Crawford, CTRS, CPRP Executive Director  
Northwest Special Recreation Association  
3000 Central Rd. - Suite 205  
Rolling Meadows, IL 60008

Re: ADA Improvements- Commonwealth Edison Trail Algonquin to Linneman Rd.

Dear Tracey,

The Mt. Prospect Park District hereby notifies and requests approval of the NWSRA Board of Directors for the proposed expenditures of funds from the Park District's Special Recreation levy to pay for the following improvements along the ComEd trail corridor. The ComEd leased property includes a paved trail system that begins at the I90 tollway and continues east to Mount Prospect Rd. The funds will be used for the replacement of asphalt surfacing between Algonquin and Linneman Rd, paid to a contractor.

- Request reimbursement for 5' of pathway width. We are replacing an 8' wide asphalt pedestrian path system throughout the park. The path will provide an accessible route through the corridor. The asphalt paving total is **\$193,800**. The asphalt shall meet the current ADA Standards (2010) and Accessibility as determined in Chapter 2 Scoping Requirements 206.2.2 Accessible Route within a site Chapter 4 Accessible Routes 402 accessible Routes 403 Walking Surfaces including 403.5.3 Passing Space. We request authorization for the Park District to use ADA funds in the amount of **\$112,500**.

We request authorization by the NWSRA for the Park District to use ADA funds for a total of **\$112,500** for accessibility improvements made along the ComEd trail corridor. The total cost of work for this project is **\$214,710**.

If you have any questions or require additional information, please do not hesitate to contact me at (847) 956-6773 ext. 460 or [mdziubinski@mppd.org](mailto:mdziubinski@mppd.org). Thank you for your consideration.

Sincerely,  
Matt Dziubinski  
Director of Parks & Planning
