Benefits of the Project	 Willow Trails Park is undergoing a major renovation. The playground, athletic courts, pathways, and site amenities will be updated to serve as an appealing and safe recreational location for all park users. The park was last renovated in 1993. the new overall design focuses on engaging activities and active and passive spaces for all age group and abilities. The Landscape structure playground selected was specifically chosen for its ADA Compliance. 65% of the playground is certified ADA approved. Rubberized poured in place surfacing surrounds many of the playground elements. Sidewalk widths and grades along with ADA accessible seating and companion seating are incorporated into the park design.
Items that will become ADA Compliant	Playground Elements Fitness Equipment Sidewalks and companion seating space at benches PIP Surfacing
The project is designed or constructed, or applies human resources, to comply with:	The 2010 Standards for Accessible Design The Illinois Accessibility Code PROWAG and the Shared Use Paths Guideline in Development ASTM Standard for Accessible Exercise Equipment ASTM F 1951 Standard for Accessible Playground Surfaces Smart practices in an area not yet addressed by the State of Illinois or a federal standard Agency's ADA Transition Plan
