Re-pave surface with asphalt. 5/8 of the 8-foot wide path width to be reimbursed as part of this request.

\$7,544

The total estimated cost of the improvements is \$315,954 of which the district is asking to charge the Special Recreation Fund up to **\$134,916**. The improvements are expected to be substantially complete by August 1, 2017.

Anticipated benefits of the projects to NWSRA are as follows:

- Installation of ADA accessible playground equipment, fall surface and correction of existing slopes in playgrounds and parks to allow for greater participation on the equipment at these facilities, and
- Pathway improvements will provide access into and around the park venues.

The Hoffman Estates Park District respectfully requests that you review this request and present it with your approving recommendation to the NWSRA Board of Directors. If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

Dean R. Bostrom
