**ELK GROVE PARK DISTRICT
PARK BOARD MEMORANDUM**

To: Board of Commissioners

From: Tim White – Director Parks and Planning
Ryan Lee -- Fleet Department

Date: September 3rd, 2020

Re: **Recommendation – Purchase of 2021 Ford Starcraft All-Star ADA Accessible Bus**

INTRODUCTION

The P&P Department would like to recommend the capital purchase of the following fleet vehicle, a 2021 Ford Starcraft All-Star from Midwest Transit Equipment Inc, Kankakee IL.

BACKGROUND

Every year, our fleet vehicles are evaluated and reviewed for replacement and compared with the EGPD Capital Improvement Plan. Vehicles or equipment found efficient and reliable are given a passing grade. The vehicles or equipment not meeting the criteria are recommended for replacement. The following criterion is used to identify vehicles or equipment in need of replacement: Age, mileage or hours, utilization (high or low), maintenance and repair history, and condition.

Through this process, staff has identified unit #230 a 2012 Chevy 3500 14 Passenger bus, primarily used by staff to pick up and drive park district patrons to various district events. This vehicle has been identified by staff to be in need of replacement. The vehicle is the oldest in the fleet of busses. It has developed heavy rust on the frame and undercarriage. It has an on-going problem with various roof leaks. The capital committee has also expressed the need for a more comfortable bus with a wheelchair lift, and one that is generally more accessible. Through direct feedback and input from recreation staff, we have identified an appropriate replacement vehicle.

BIDDING PROCESS

The Suburban Purchasing Cooperative is a joint purchasing program sponsored by the Northwest Municipal Conference, DuPage Mayors & Managers Conference, South Suburban Mayors and Managers Association, and Will County Governmental League. Together the SPC represents 150 municipalities in the six county area of Northern Illinois. Competitive bids are secured similar to the State of Illinois joint purchasing program. Staff recommends using the SPC program again in 2021.

BUDGET

A.D.A. Budget (23-7-0001-740005):	\$ 70,000.00
2021 Ford Starcraft All-Star	\$ 66,214.00
Child check system	\$ 300.00
Trade-In (Midwest Transit Equipment Inc)	\$ 12,000.00

\$ 54,514.00

RECOMMENDATION

Based on the issues described, staff is recommending vehicle #230 be traded in (as-is) and replaced with a new vehicle. Staff recommends approval of the purchase (including trade-in) from, Midwest Transit Equipment Kankakee IL not to exceed fifty-four thousand five hundred fourteen dollars and no cents **\$ 54,514.00** for a 2021 Ford Starcraft All-Star
