### Upgraded Mobility

Introducing the new and improved AmeriGlide Rave 2! This sleek and stylish stair lift has been upgraded with many innovative features that provide you with **even more safety and comfort** when going up and down your stairs.

#### Key Features

- Extended battery life, up to 60 cycles during power outage
- Maintenance-free
- New fully upholstered seat back/bottom for maximum comfort
- Full, spacious seat with adjustable seat back
- Right hand or left hand control option
- Retractable seat belt
- 90° seat swivel at top of rail for an easy exit

- Optional tall rail brackets to keep rail from extending into hallway at top of staircase
