Project Location	Olympic Park
Project Status	Maintenance
Project Type	Routes and Surfaces
Routes and Surfaces- select a Project Category below:	Athletic Surfaces
Benefits of the Project	Our Olympic Park property has a total of 8 synthetic turf athletic fields. This is our last phase of turf replacement involved fields 9 and field 8. The scope of work involved the removal and disposal of existing turf and replacement of a new synthetic turf system. The existing turf system has been in for 12 years and the manufacturer's warranty is expired and surfacing has shown signs of excessive wear and increased maintenance to keep the fields in safe playing conditions. The new synthetic turf system will ensure that these fields are in complete conformance to ADA standards.
Items that will become ADA Compliant	Synthetic turf athletic fields 9 and 8 at our Olympic Park property.

The project is designed or constructed, or applies human resources, to comply with:

ASTM F 1951 Standard for Accessible Playground Surfaces
