PARK DISTRICT

March 8, 2017

Ms. Tracey Crawford
Executive Director
Northwest Special Recreation Association
300 W. Central Road, Ste. 205
Rolling Meadows, IL 60008

Dear Ms. Crawford:

The Schaumburg Park District hereby requests the approval from NWSRA Board of Directors for expenditures to be paid from the District's Special Recreation Levy. This is for the development of the new Bison Bluff natural playground at Spring Valley. I have enclosed Attachment A that itemizes the ADA portion of the project along with Attachment B, a site plan for the project. The total contracted cost for this project was \$2,475,812.00; the ADA portion of this project is 13% of the total cost. The Schaumburg Park District is requesting that the \$319,547.00 for these items be reimbursement from the District's Special Recreation Levy.

The benefit of this project to NWSRA is the ability to provide access to this unique natural playground for all individuals.

The Schaumburg Park District respectfully requests that you review this proposal and present it to the NWSRA Board of Directors for approval. If you have any questions or require additional information, please contact me at 847 985-2115.

Sincerely
Schaumburg Park District

Todd King
Superintendent of Parks & Planning
